Address: **Midlothian**
Price: **150.00 \$**

PRICE FLEXIBLE / WILLING TO TRADE

Selling MSI gaming laptop since I got a new one. Some of the plastic is damaged on the outside, and the screen is damaged as well, but the internals are all in good condition and the laptop runs quite well for gaming, school, work, or any other usage.

1 HDMI and 3 USB ports, SD card slot, Ethernet cable connection, and working disk tray. Charger included.
